We recommend the use of the free ARRL email forwarding service ([KA4ABC@ARRL.ORG](mailto:KA4ABC@ARRL.ORG)). This way if you change your real email address you will not have to notify the KCARC Secretary and you are more likely to receive the HamCall and other club correspondence in a more reliable fashion. You must be a member of the ARRL. Go to [HTTP://www.arrl.org/members-only/emailfwd.html](http://www.arrl.org/members-only/emailfwd.html) for more information.

### The HamCall (KCARC Newsletter)

As part of your KCARC Membership, you will receive the KCARC Newsletter titled the **HamCall**. In an effort to keep costs low we would prefer that you choose to receive the **HamCall** via email. Every effort will be made to keep you email confidential if you have indicated such. However, we understand that not everyone is suited to receiving such correspondence via email and thus it will still be available via regular postal service. The email version will be in color and may be an expanded version of the USPS version ( the USPS version will always contain, at minimum, essential club information). Please indicate your preference below:

An additional note: you are more than welcome and even couraged to submit articles and other information that you feel should be included in the newsletter. Contact the HamCall editor for more information.
